

Code of Ethics Small Group Instructions Handout

Task Goal: The group(s) must agree on a final list of five values

Remember:

- Agree on 5 values
- Some values are not ethical values
- Some similar values can be combined
- Some values may be subsets of others
- Some values may be outcomes of others
- Avoid over arching terms
- Discuss; don't just vote
- Thumbs – up decision-making tool

Suggested Process:

- Facilitator starts with a value from his/her own list
- Scribe records the number of times the value appears on group members' lists
- Another group member repeats the process for a new value
